4. The work of all users is valuable, and they need reliable access to computers; therefore:
 - I will respect the privacy of others by not using, or trying to learn their passwords;
 - I will not copy, change, or use files belonging to another student;
 - I will not attempt to gain unauthorized access to system programs or computer equipment;
 - I will not create or knowingly introduce any computer virus that may destroy files or disrupt the system; and
 - I will not download any resources without permission.

5. There is material available on the Internet and other sources of computer software that is not appropriate in a school setting; therefore:
 - I will not retrieve or send unethical, illegal, immoral, inappropriate, or unacceptable information of any type; and
 - I will not use computer systems to disturb or harass other computer users by any means, including sending unwanted email.

6. The computer and Internet services provided by the Board are designed for the use of all students and employees; therefore:
 - I will not interfere with or disrupt Internet users, services, traffic, or equipment; and
 - I will not attempt to bypass the security built into the system, and I recognize that doing so will result in immediate loss of computer privileges.
