Appendix F to 6020 Extended Field Trip Procedures

12. Please indicate any other medical condition that will require accommodation.

If a concussion has been diagnosed over the summer break, during non-school related activities or during school related activities, the request to Resume Participation Concussion related injuries form (OPHEA) must be completed by a physician before the student returns to class/sports activities.

Date of Contact with Parent/Guardian to develop collaborative safety plan for students with a prevalent medical condition:

Questions to be addressed in the development of the plan:

- a) How does / will the bus/airline/other mode of transportation have the means to deal with the prevalent medical condition?
- b) How will appropriate food / restaurants be chosen to address the
